MAIN

Alta Enterprises, Inc.
Management Parking Plan
Effective October 2010

The building located at 247 Main Street, Warren has the following parking spaces available: 3 in front of building, 4 in the rear of the building and 3 on an offsite lot at Flat Iron Road. This complies with the needs of the building: 5 for commercial (1250 SF) and 2 for residential parking as well as additional parking for overflow.

Parking shall be allocated as follows: 2 spaces in the rear of the building are for residential use and will be posted as such; the remaining spaces are available to customers of the commercial enterprise at 247 Main Street. The spaces in the rear of the building will be posted as such. All employees who are not residents of the building will park at the Flat Iron Road lot.
