

DEVELOPMENT REVIEW BOARD REPORT 2005

For the year of 2005, the Development Review Board held 23 public meetings and reviewed 29 applications. The board approved 11 Conditional Use Applications; 12 Subdivision Applications; 1 Planned Residential Development and 4 amendments to existing permits previously granted by the Board. The approved subdivisions created 30 new developable lots. Two subdivisions, totaling 11 lots, were re-authorized. There were no appeals of the Zoning Administrator's actions and one of Board's decisions was appealed to the Vermont Environmental Court.

Minutes and agendas of the Development Review Board meetings, the Land Use and Development Regulations, The Town Plan, Zoning Applications, and other general information can be found on the town webpage at: <http://www.warrenvt.org>
