Attendees:

Miron Malbeouf  
Craig Klofach

Hearing Officer:

Joshua Schwartz

The meeting was called to order at 6:00 PM. Mr. Schwartz welcomed the two attendees and read the *Warren Village Main Street Improvement Project* project description. Mr. Klofach suggested that the description provide reference to Stantec's 2013 Safe Routes to School Pedestrian Improvement Study. Mr. Schwartz said that such inclusion can and will happen. Mr. Klofach asked about the width of the project's proposed sidewalk. Mr. Schwartz stated that the proposed sidewalk will be ADA compliant, likely to be 4' in width.

Ended at 6:13 PM.

Respectfully submitted,  
Joshua Schwartz
